Ref. No. SEHCT/SIITM/2025/D2/12Date . 04/02/2025**INTERNAL QUALITY ASSURANCE CELL (IQAC)**

Internal Quality Assurance Cell (IQAC) is to ensure and promote a culture of quality enhancement within an institution by establishing quality benchmarks, monitoring academic and administrative performance, fostering best practices, and coordinating the development and submission of quality-related reports like the Annual Quality Assurance Report (AQAR). IQACs focus on institutional functioning, academic and research program quality, modern teaching-learning methods, effective evaluation, and networking for quality assurance.
